# MS Curriculum Requirements

# MS Curriculum Requirements

---

- **ECE 500** must be taken during the first semester of the graduate program.
- **Nine** semester hours of core courses selected from
  - ELE: ECE 501, 503, 505, 506, 507, 509, 532, 533, 547
  - CPE: ECE 501, 505, 530, 532, 533, 586, CPS 510, CPS 536, CPS 570
- **Nine** semester hours in an electrical engineering specialization area, such as Computing Systems, Sensors and Devices, Signals and Systems, or any other interdisciplinary area approved by the advisor/Chair.
- **Six** semester hours in approved basic and engineering science, which may include ECE courses approved by the advisor/Chair.
- **Six** semester hours of an approved thesis or six semester hours of electrical engineering graduate courses.
- **UD Global students:** must also have UDG 502 Professional Development and Academic Skills (1 credit hour) in your plan of study!

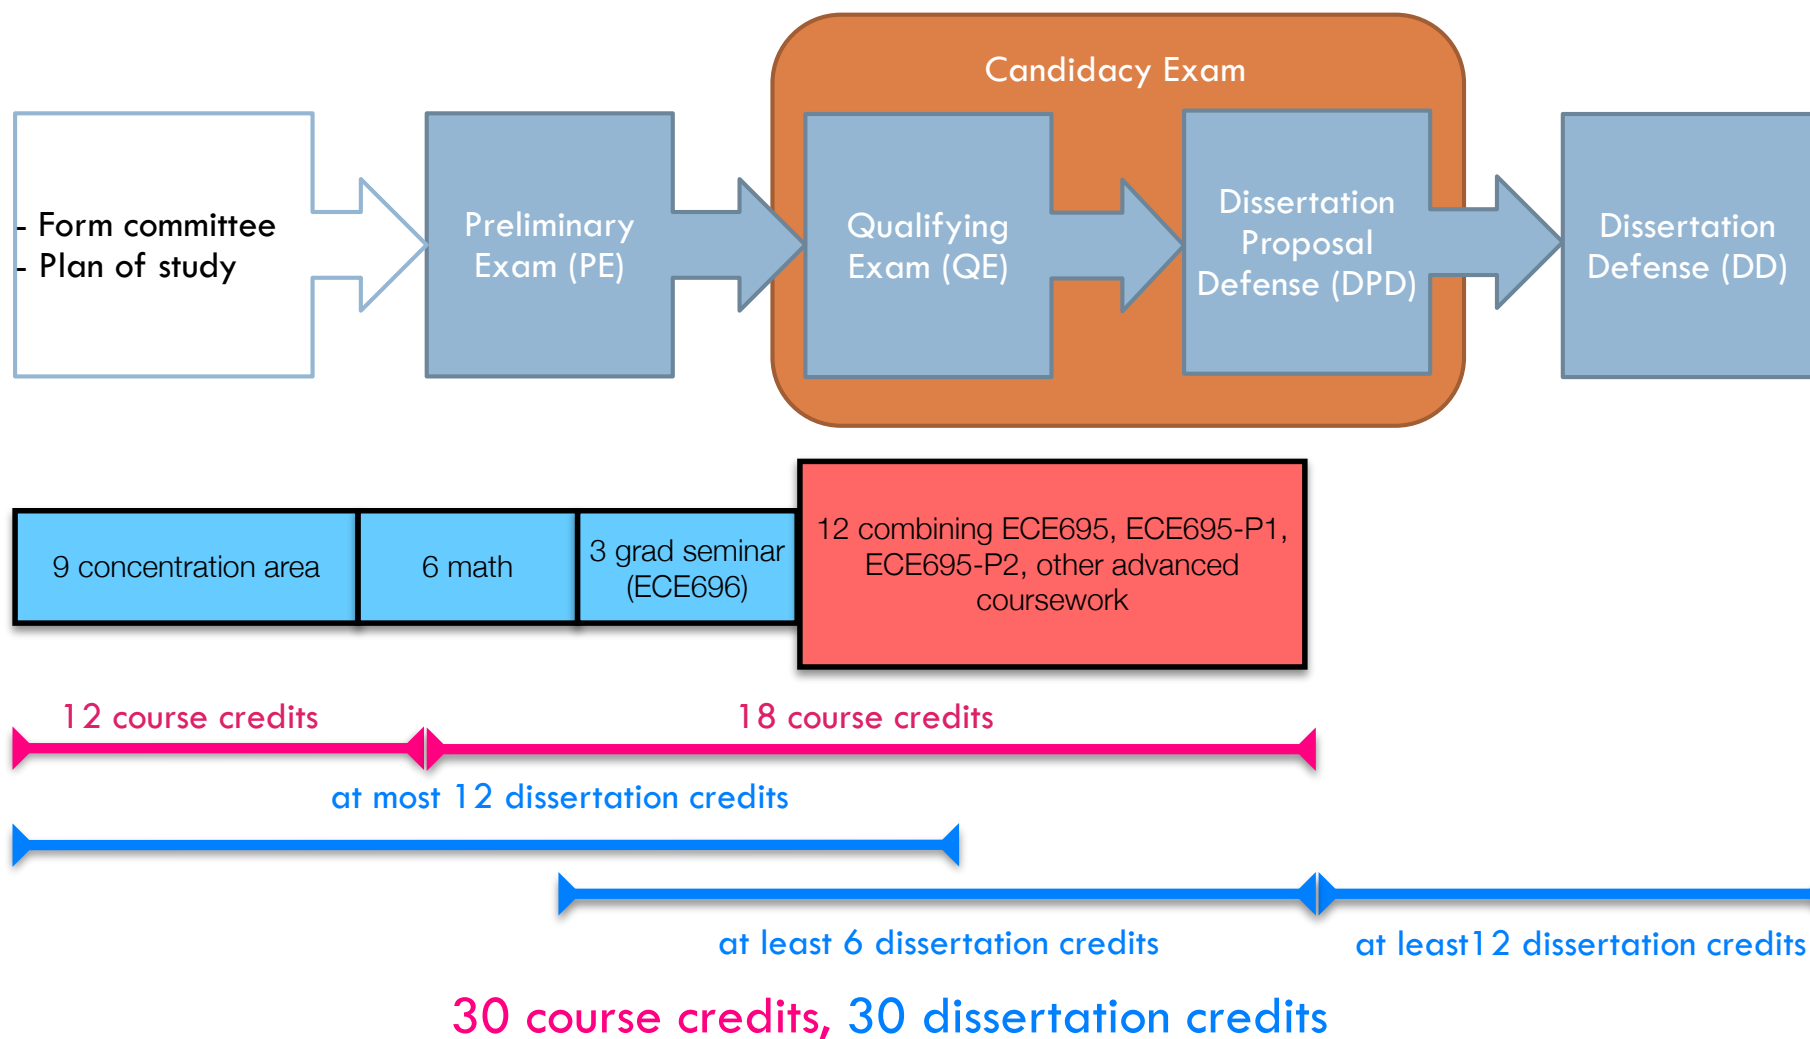

# PhD Graduate Curriculum Course Credit Requirements

# PhD: 30 Course Credits Requirements

---

- **Nine** semester hours from an approved concentration area such as Computing Systems, Sensors and Devices, Signals and Systems, or any other interdisciplinary area approved by the advisor/Chair (excludes ECE 695-699)
- At least **six** semester hours of approved graduate mathematics courses (all graduate MTH courses *and* [ECE 503](#), [ECE 568](#), [ECE 569](#), [ECE 642](#))
- At least **three** semester hours of Graduate Seminar (ECE 696)
- The remaining **twelve** credit hours can be any combination of advanced graded course work, Guided Research Leading to Conference Publication (ECE 695-P1), and Guided Research Leading to Journal Publication (ECE 695-P2)

# PhD Candidacy Exam

# ECE PhD Milestones at a Glance

---

# Before the Preliminary Exam (PE)

---

- Form a dissertation committee
  - ➔ 3 ECE faculty chosen before preliminary exam
  - ➔ 1 external adviser chosen before dissertation proposal defense
- Plan of study
  - ➔ approved by dissertation committee
- Courses
  - ➔ at least 12 ECE graduate credits hours at UD
- Graduate forms: [https://udayton.edu/engineering/about/office-of-the-dean/student-resources/grad\\_resources.php](https://udayton.edu/engineering/about/office-of-the-dean/student-resources/grad_resources.php)
- PE form: [https://www.udayton.edu/engineering/departments/electrical\\_and\\_computer/grad\\_electrical/student\\_resources.php](https://www.udayton.edu/engineering/departments/electrical_and_computer/grad_electrical/student_resources.php)

# Preliminary Exam (PE)

---

- Purpose
  - ➔ determine baseline background
- PE format
  - ➔ written exam, 5 hour period
  - ➔ questions drawn from 4 preliminary exam classes (PEC)
  - ➔ GPC assigns appropriate faculty to prepare questions
- Logistics
  - ➔ **requirements:**
    - ★ at least 12 credits of graduate coursework at UD
    - ★ at least 12 credits of PECs
  - ➔ only once per semester
  - ➔ 2 chances to pass the PE => dismissed if 2nd attempt failed
- **May be waived** if overall GPA  $\geq 3.5$  in at least 4 PECs

# Preliminary Exam Application Form

---

**UNIVERSITY OF DAYTON  
ELECTRICAL AND COMPUTER ENGINEERING  
PRELIMINARY EXAM APPLICATION**

TO: The Chair of ECE Graduate Program Committee

The Preliminary Examination (PE) is a diagnostic test to assess the background of the student based on questions drawn from four Preliminary Exam Courses (PEC). Before the PE is taken, students must have earned at least twelve ECE graduate credit hours beyond the MS degree and completed at least four PECs. The PE is a requirement for every student who does not apply for a waiver (see below).

\_\_\_\_\_  
Student's Name

\_\_\_\_\_  
Date

**List 1:** List twelve ECE credits of graduate courses the student completed at UD.

Class	Institution	Date	Grade
	University of Dayton		
	University of Dayton		
	University of Dayton		
	University of Dayton		

**List 2:** List four PECs (or equivalent courses at another university) that the student completed. The approved PECs are: ECE 501, 503, 506, 507, 509, 521, 531, 533, 536, 547, 561, 572, and 581. They may include classes taken during MS, and they may overlap with **List 1**.

Class	Institution	Date	Grade

**Preliminary Exam:** Student applies to take the Preliminary Exam in the  Fall  Winter semester. Questions for PE will be drawn from **List 2**.

**Waiver:** The student may apply for PE requirement waiver if the combined GPA of four PECs taken at the University of Dayton is greater than or equal to 3.5.

Students who have taken one or more PECs at another institution may also apply for a PE waiver. The waiver will be granted if the student has a UD GPA (List 1) greater or equal to 3.5, and the combined GPA of four PECs (taken at UD or elsewhere) is 3.5 or above.

Student applies for PE requirement waiver. GPA of **List 1** is \_\_\_\_\_. GPA of **List 2** is \_\_\_\_\_. (Attach appropriate documentation, such as class syllabi for classes not taken at UD.)

# Qualifying Exam (QE)

---

- First part of the Candidacy Exam
- Purpose
  - ➔ assess ability to carry out independent, unsupervised research leading to a well thought written report
- QE format
  - ➔ a written and oral exam
  - ➔ a research question formulated by the candidacy committee
  - ➔ **written**: the student is given approximately a month to work on the problem and submit a written report
  - ➔ **oral**: a brief presentation on the research problem
  - ➔ **outcomes**: (requires unanimous vote) pass, conditional pass, fail
    - ★ conditional pass: committee recommends actions student must fulfill
- Logistics
  - ➔ **requirements**: no more than 12 dissertation credits before completing QE
  - ➔ 2 chances to pass the QE => dismissed if 2nd attempt failed

# Dissertation Proposal Defense (DPD)

---

- Second part of the Candidacy Exam
- Purpose
  - ➔ assess qualification for a meaningful and publishable dissertation
  - ➔ defend a research idea before a critical audience
- DPD format
  - ➔ a written and oral defense
  - ➔ **written**: a written proposal
  - ➔ **oral**: presentation of preliminary doctoral level research work
  - ➔ **outcomes**: (requires unanimous vote) accept, conditional accept, reject
    - ★ conditional accept: committee recommends actions student must fulfill
- Logistics
  - ➔ **requirements**:
    - ★ all courses completed
    - ★ at least 6 dissertation credits before DPD
    - ★ at least 12 dissertation credits before DD

# Dissertation Defense (DD)

---

- Purpose
  - ➔ assess the quality of research work and dissertation
  - ➔ defend a research idea before a critical audience
- DD format
  - ➔ a written and oral defense
  - ➔ **written**: a written dissertation
  - ➔ **oral**: presentation of doctoral research work
  - ➔ **outcomes**: (requires unanimous vote) accept, conditional accept, reject
    - ★ conditional accept: committee recommends actions student must fulfill
- Logistics
  - ➔ **requirements**:
    - ★ at least one journal submission (*above and beyond any submissions from ECE697, ECE698*)
    - ★ all dissertation credits are taken

## Again, Important Forms Are Found Here:

- Graduate forms: [https://udayton.edu/engineering/about/office-of-the-dean/student-resources/grad\\_resources.php](https://udayton.edu/engineering/about/office-of-the-dean/student-resources/grad_resources.php)
- PE form: [https://www.udayton.edu/engineering/departments/electrical\\_and\\_computer/grad\\_electrical/student\\_resources.php](https://www.udayton.edu/engineering/departments/electrical_and_computer/grad_electrical/student_resources.php)
- You can also find all the forms under the **Porches Engineering page**:

## DOCTORAL PROGRAM OF STUDY

The student is required to complete the Program of Study before the beginning of the third semester of the student's enrollment. It is to be initially approved by the advisory committee chairperson, department chair or program director, and the associate dean of engineering. Once the doctoral advisory committee has been formed, the committee members must also approve the Program of Study.

Please complete the form on-line and then print for signatures. Handwritten documents will be returned.

# Other Important Forms: Doctoral Advisory Comm.

---

# Other Important Forms: Candidacy Exam Report

---

**UNIVERSITY OF DAYTON  
SCHOOL OF ENGINEERING  
CANDIDACY EXAMINATION REPORT**

TO: Advisory Committee

The student must pass all parts of the examination to be admitted to candidacy. The student is considered to have passed only when the decision of the doctoral advisory committee is unanimous. All members must sign the examination report form with an indication of their decision noted prior to its being submitted to the Assistant Dean of Graduate Engineering Programs and Research. If any part of the examination is unsatisfactory, the student will be notified in writing of the conditions for another examination. *(Excerpted from the current graduate bulletin).*

Student's Name \_\_\_\_\_ Major Field of Study \_\_\_\_\_ Date \_\_\_\_\_

PART 1  (Written and Oral Examination)

PART 2  (Oral Exam on the Dissertation Proposal)

*Indication of decision is by signature and encircling Pass or Fail:*

Chairperson, Advisory Committee	Pass	Fail		Committee Member	Pass	Fail
Committee Member	Pass	Fail		Committee Member	Pass	Fail
Committee Member	Pass	Fail		Committee Member	Pass	Fail

Unless the committee decision is unanimous for pass, the student is to be notified by the Assistant Dean of the following conditions for another exam:

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

This form is to be independently completed for Part 1 and Part 2 of the candidacy exam except in cases where the individual parts are administered on the same day and the decision is the same for both parts.

After both parts of the candidacy exam have been successfully passed, the Assistant Dean will notify the student of his or her admission to candidacy.

Report received: \_\_\_\_\_ Date: \_\_\_\_\_  
Associate Dean, Graduate Studies, Engineering

Revised 2.16.11

# Other Important Forms: DD Request

---

## REQUEST TO SCHEDULE DISSERTATION DEFENSE

Please complete the form on-line and then print for signatures. Handwritten documents will be returned.

Student Name: \_\_\_\_\_ Student ID No. \_\_\_\_\_

TO: Associate Dean, Graduate Studies

I hereby request that your office schedule my Dissertation Defense as follows:

DATE:

TIME:

PLACE:

DISSERTATION TITLE:

ABSTRACT: *Please attach copy to the request form*

My advisory committee members concur in this request and so indicate by their signatures below:

_____	Date	_____	Date
