A Diverse Community of Scholars Achieving Excellence

MECPrO 2019

The Multi-Ethnic Education and Engagement Center welcomes the Class of 2023! This year we had nearly 100 students and families join us from August 14th-15th. These students were able to move-in early, learn about opportunities on campus, and engage with student panels. In addition, parents and students had the opportunity to meet faculty, staff, and students. We deeply appreciate Dr. Spina, our faculty and staff partners, student volunteers, student staff, and many others who were involved with making this year's MECPrO program an excellent first step at UD for all incoming students and families!

P.E.E.R.S. Mentor Program

The P.E.E.R.S. (Program to Engage and Exchange Resources for Students) mentor program is dedicated to engaging and empowering first-year students to successfully navigate the college experience. This program is designed to engage multicultural students with their peers and to build a connection to the greater UD community.

The P.E.E.R.S. mentor program helps to foster an inclusive environment that is rewarding for both mentors and mentees. Currently, there are 270 mentors and mentees participating in the program. The first-year mentees were matched with their mentors at the P.E.E.R.S. kickoff and P.E.E.R.S. Mix and Mingle events. In addition, this academic year is the inaugural year of the P.E.E.R.S. House on campus, which is located on Brown Street.
