

## iTunes U Student Quick Start Guide

### I. Download and install iTunes

To use iTunes U, the iTunes software must be installed on your computer. You can download and install the software from this location: <http://www.apple.com/itunes/>.

### II. Access your instructor's podcasts

1. Using your preferred Internet browser, go to: <http://itunes.udayton.edu>.
2. Login using your UD LDAP username and password.
3. The UD iTunes U page will open on your computer.  
(if you don't have iTunes installed on your computer you will be directed to Apple's site to download the software).
4. Click on the department name for your corresponding course.
5. Next, locate and click on your specific course title.
6. Find the audio content that you want to download and click on one of the following buttons:
  - Get Song or Get Movie — downloads a single item to your computer.
  - Get Tracks — downloads all of the items in the window to your computer.
  - Subscribe — automatically notifies you in iTunes when new items become available from your instructor.
