Dear Sample,

The University of Dayton is pleased to provide your four-year financial aid award. This award reflects our commitment to you as we show details about your educational investment and all the ways we will help you succeed.

Your four-year scholarship and grant aid is \$117,080.

Our approach to tuition provides a plan for your success. This award letter shows the support you'll receive each year. It guarantees:

- **Transparency.** Our overview shows the complete cost of your four-year education.
- **No tuition increases.** University scholarships and grants increase each year to cover any increase in tuition.
- **No fees.** At many schools, fees can be the most expensive part of your education. At UD, you have no fees, saving you up to \$20,000 over four years.
- **Textbook scholarship.** You're receiving the book scholarship, which provides up to \$500 toward textbook expenses each semester - that's up to \$4,000 over four years.
- **Study abroad scholarship.** To help you become a global leader, a \$3,000 study abroad scholarship is available, and you can study in select programs at no additional cost.

As a Catholic, Marianist university, our mission is to educate the whole person, and we want to position you for success. You'll work closely with your academic adviser to develop a degree plan that ensures you graduate on time. That's just one reason our graduates leave with average student loan debt below the national average and 95 percent of our students are employed, in graduate school or in a full-time volunteer program within six months of graduation.

Your next step is to confirm your enrollment: go.udayton.edu/admissionaccount. If you have questions, we're available to discuss ways to help make your UD education a reality. Simply call the Office of Admission and Financial Aid at 800-UD-PRIDE (800-837-7433).

We look forward to working with you and your family!
