University Nomination and Recruiting Committee

Request for Nominees

Email Narrative Template

This email narrative will be used to communicate the details of the service opportunity. The template below is designed to streamline this effort while also maintaining a consistent process.

Dear Faculty Colleagues,

The University Nomination and Recruiting Committee (UNRC) seeks nominations (self or peer) of **insert faculty classification/rank** to serve on the **insert name of committee/taskforce/workgroup**. Faculty participation is critical in shaping the direction and strategy of the University and is one mechanism for faculty participation in shared governance.

Insert the name/office/position has requested the assistance of the UNRC to identify faculty to serve on the **insert the committee/workgroup/taskforce**. The UNRC is soliciting nominations (self or peer) of **insert faculty classifications that are eligible to serve** faculty to represent the faculty in this capacity. The expected timeframe for this work is the **insert timeframe**.

Please note that deans, associate/assistant deans, provost, and assistant/associate provosts are not eligible to serve as faculty representatives. However, their assistance in soliciting faculty nominees is greatly appreciated.

Requirements: **insert requirements- (ex. Nominees should be full time, tenured/tenure-track faculty and have experience in working with the office for the VP for Advancement. Nominations can be made by all full time faculty and academic administrators.)**

The UNRC will supply a list of nominees to ECAS which will narrow the list to **insert the number of nominees requested** faculty for consideration by **insert the name of the person/committee** who will make the final decision. The diversity of members of the committee will be an important consideration in addition to familiarity with the activities conducted by the **insert the position/committee/taskforce as appropriate**.

Interested individuals should complete and submit the Google Form found at <https://goo.gl/forms/kjxvaZyjVGJiF06i2> by the end of the day on **insert deadline date**. To nominate a peer, complete the peer nomination form found at <https://goo.gl/forms/pOTQJJ3nNEjLoh1C2>.

Please consider nominating yourself or others for this important service opportunity.

*The UNRC, a subcommittee of the Executive Committee of the Academic Senate (ECAS), was created by Academic Senate Document 2009-01 to facilitate a process by which faculty representatives interested and qualified to serve on University-wide committees are identified through an open process of self and peer nomination.
