We Need To Hear From You!

With classes coming to an end, we need to know your plans for next year and would appreciate feedback on your experience.

ALL mentees (graduating or not) are asked to complete [this survey](#).

- If you are returning to the program and want to stay with your mentor, please let us know in the survey and we will confirm with your mentor that he/she, too, is returning.
- If you are returning to the program but **do not** want to stay with your mentor, please let us know in the survey. If this is due to a problem that you experienced, please share the details with us.
- If you are graduating, please know that you are welcome to stay in touch with your mentor. Simply let him or her know that you would like to stay connected. If you would like to maintain a formal mentoring relationship, please contact Ashley (her info is above) to join the Young Alumni Mentoring Program.

Thank you for participating in the Alumni Mentoring Program! Please share this opportunity with your friends. If you have any additional questions or concerns, just let us know. Have a wonderful summer!
