

Five Oaks Cleanup & Park Restoration Day

What's Going on:

Contribute to an exciting project brought to the Five Oaks Neighborhood by the University of Dayton Civic Scholars. Volunteer to help paint a unique mural in the park, assemble soccer goals, install little libraries, and clean up the park. The plan is to start the park restoration on Saturday, March 30th and complete the project on Saturday, April 27th alongside our annual cleanup day. Come to volunteer on either day or both! Activities will include picking up litter, planting flowers, pouring concrete, painting, assembly, and more so please dress accordingly. Email daytoncivicscholars2019@gmail.com to learn more about the park project!
