**Unity Through Harmony** is a first-ever special community concert of music from the diverse faiths in the Dayton region. Come hear the Dayton Philharmonic Orchestra create beautiful music with choirs and musicians representing Baptist churches, Jewish synagogues, Catholic churches and Islamic traditions. Each of the groups will perform music from their traditions and then join in the finale as a unified massed choir of over 150 voices!

**Come and listen. Come and learn. Come and find out about the harmony that is religious music in our Dayton community.**
