CALL TO ORDER

Roll Call:

Minutes of March 4, 2019, approved via email

Announcements: The nominating ballot for the 2019-2020 AAC was deployed last week; nominees will be contacted and ballots for the AAC election will be deployed next week. This year's election is for the at-large representatives.

We are also seeking student nominations. The process for student nominations is to send the student's name, major and email to pbergie11@udayton.edu with "AAC Student nomination" in the subject line.

It has been discussed that webinar courses in Roberts Rules of Order will be available (one per year to student nominees) with the basic courses being most appropriate, from this site:

<https://www.parliamentarians.org/services/learning-opportunities/web-based-courses/>

Would the Exec committee need to vote on this to formalize it? Should new faculty nominees also be included?
