18-099	BS-PSC	Bachelor of Science, Physical Science	Program Revision	

Note: Documents 18-067 through 18-095: Changing prerequisite and co-requisite: Due to student demand for courses we would like students to be able to have CMM 100 as a pre-req or co-req so that they will not fall behind in their curriculum. This is an acute problem for transfer students.

Courses marked as revision are just changes from old format to new, as the AAC has directed departments to do, so not really a revision of substance, just form, with the exceptions of CMM 341 and CMM 416

CAP 4 year Review

Doc#	Course #	Course Title	CAPC	Disposition
	ENG 499	Capstone	The CAP Office reviewed the revisions the CAPC requested as part of the 4-Year Review and	

			approved them on behalf of the committee. ENG 499 has been reapproved for 2 years and will be reviewed again in 2020-21. The English Department plans to deactivate ENG 498 and 499 will serve as the single capstone course.
