Policy Item: (Sense of the AA):

Should we have a policy on how many hours can double count between two majors or a major and a minor?

The university does not have a policy, but SBA has their own policy in the Catalog:

<http://catalog.udayton.edu/undergraduate/schoolofbusinessadministration/requirementsforthebaccalaureatedegree/>

"Only 7 hours of course work can double count between two majors or a major and a minor."

Adjournment:
