Hello Marching Band Family!

Can you believe that the finely oiled machine of POD has already begun purring? Your staff and student leadership are already at work planning a successful and enjoyable season. Music is being chosen, dates are being secured, uniforms are being designed….and it’s still MAY! This is going to be a fantastic season filled with great performances and wonderful music. Stevie Wonder, Earth, Wind, and Fire….how can we go wrong?

The hard work of band camp, the excitement of home games, the energy of high school band joining us on Band Day, the legacy of the alumni on Bandcoming, hosting the BOA regional—so many wonderful things to do in 3 months! Please be sure to read the newsletter carefully and reach out if you have any questions. If you are new to POD, you are about to meet lifelong friends. If you are a vet, you know exactly what I’m talking about. Enjoy your summer break, please take care of yourselves, and try to keep the dust off of your instrument.

ATTENTION DRUMLINE MEMBERS! New members need to email me (jleslie1@udayton.edu) ASAP for an audition packet. If you are a vet auditioning for a different instrument, please do the same. Let me know if you have any questions, and keep your chops in shape!

Go Flyers!

First year students, once on campus, will be expected to act as independent adults, please help them to be able to do so.

During band camp, students will need money for meals and snacks to stay nourished. Please provide them with money and snacks to fulfill this important need.

Beginning at 4:30 p.m. on Saturday, August 13th, the students will be in the care of the upperclassmen and leaders of the band. While parents are welcome to stay for church services on Sunday morning, we encourage you to trust our staff and upperclassmen to take care of your son or daughter.

Questions, comments or concerns before band camp can be directed to a member of the executive board or staff (contact information on page 11) Due to FERPA, concerns after that point should be directed to your student.

*Drumline will have 2 additional lunches, dinners and breakfasts to take care of.

HELLO FROM YOUR CEO

Howdy POD People,

My name is Megan Goldbranson and I am so excited to be the Chief Executive Officer for the 2016-2017 POD season. This will be my third year in POD. I am a junior Middle Childhood Education major from Daren, Illinois. I am part of the mighty and amazing trombone section and have been involved with marching band and playing trombone for 11 years.

Aside from POD, I am involved in the Flyer Pep Band and the University Concert Band. I am passionate about serving local area communities. I am the secretary of the Social Justice Club on campus, and a proud brother and historian of Alpha Phi Omega, a national service fraternity on campus, and spend my time working as a Neighborhood School Center intern.

As your CEO, I hope to give our new and returning members the best experience possible and keep improving the program. Also, I hope to bring everyone together outside of POD with some really fun memorable, and exciting social events.

I can’t wait to see everyone in August! If you have any questions, please don’t hesitate to friend me on Facebook (Megan Elysse) or email me at: goldbransonm1@udayton.edu

GO FLYERS!!!

Megan Elysse Goldbranson
ZACH’S BIO

Hey, POD!
I hope your summer has been going nice and relaxing so far. My name is Zach Zielinski and I am extremely excited to be one of your drum majors this upcoming fall! I am a sophomore music education student from Chicago, Illinois. Previously I have served as a high school drum major for two years and marched mello all of my other years.

I started on sax in 4th grade and switched to french horn my Junior year of high school. Horn is still my primary instrument, but I do enjoy going back to my roots to play sax in jazz band. For the little time I have that isn’t band, I enjoy hanging out with friends, tossing around a frisbee, and sleeping.

If you have any questions about POD or you just want someone to talk to about college, please do not hesitate to contact me: zielinkiz1@udayton.edu

My advice to you: Make sure you get as much sleep as possible before the school year starts, and wear sunscreen! I can’t wait to meet you all!

P.S. Make sure you always have a good picture of yourself handy so you don’t end up like me...

Zach Zielinski

ADA’S BIO

Hello, POD!

My name is Ada Pariser and I am grateful and honored to serve as one of YOUR drum majors this fall! I am from Crestwood, Kentucky (don’t look it up on a map- it’s too small to be on one). As a junior pre-med major interested in working with medically undeserved populations, I am an intern with the National Rural Health Association in Washington, DC this summer. I have been playing the clarinet for nine years and served as a high school drum major for three years.

Additionally, I have worked on the IMPACT staff for the George N. Parks Drum Major Academy for two years. My passion for bringing together the strengths of individuals to create a greater whole is what drives me to be a servant leader for the Pride of Dayton. I look forward to getting to know each of you; but enough about me!

If you ever have questions about POD, UD life, anything else, or you need someone to laugh/cry/pray with, feel free to contact me. Going into band camp be sure to hydrate, hydrate, hydrate! And don’t forget that SPF! I look forward to learning and growing from my encounters with each of you. See you soon!
