HELLO FROM THE DIRECTOR

POD and Future POD Students,
Greetings from wonderful Fitz Hall (aka College Park Center)! I hope and pray that your summer has been rewarding and inspirational. Many of you are doing a variety of activities such as internships, summer classes, study abroad, or simply relaxing. Regardless, I hope peace has found you.

The staff looks to build upon the success you have had the past two years with Dr. Lehman as director of POD. We thank him for his wonderful contributions and wish him the best, as he will be the Director of Bands at Fairfax High School in Fairfax, Virginia.

This season, as I transition back to being at the University of Dayton, I think about the fond memories I’ve had conducting POD. I look forward to adding to these wonderful memories as Professor Leslie, Julia (the CEO), Abigail and Ada (your drum majors) put together another great season and performance schedule for you, including another BOA exhibition performance, a performance trip to Valparaiso, IN, etc.

I encourage you to practice over the summer, rest up, workout, and spread the good word about POD to UD, Wright State, and Sinclair Community College students who want to play their instruments or spin in college.

To confirm your membership, please go to http://go.udayton.edu/pod and click on the “Band Camp Participant” link to fill out your membership form.

As we approach the 2015 season, please do not hesitate to contact me if you have questions or comments. Until then, represent and enjoy the summer.

Cheers!!!
TK

P.S. Please welcome our new colorguard instructor, Justin Cordero. He comes to us from the University of Northern Kentucky and has teaching + performing experience with Oynx and the DCI drum corp. the Glassmen. We look forward to having Mr. Cordero on our staff.

Here's some friendly words of advice for first year students:

First year students, once on campus, will be expected to act as independent adults, please help them to be able to do so.

During band camp, students will need money for meals and snacks to stay nourished. Please provide them with money and snacks to fulfill this important need.

Beginning at 4:30 p.m. on Saturday, August 15th, the students will be in the care of the upperclassmen and leaders of the band. While parents are welcome to stay for church services on Sunday morning, we encourage you to trust our staff and upperclassmen to take care of your son or daughter.

Questions, comments or concerns before band camp can be directed to a member of the executive board or staff (contact information on page 11) Due to FERPA, concerns after that point should be directed to your student.

*Drumline will have 2 additional lunches, dinners and breakfasts to take care of.

Hi POD,

My name is Julia Mosier and I am so excited to be the Chief Executive Officer for this upcoming season. I am a senior psychology major here at UD. As the CEO, I am the liason between you and the staff as it pertains to POD off the field.

I am from a small town, Bay Village, OH, which is 15 minutes outside of the great city of Cleveland and borders Lake Eerie. My primary instrument is the piano which I have been playing since I was 3. In addition, I have been playing the flute since I was 10 years old and I have been in marching band since my freshman year in high school, where I was section leader for 3 years.

Here at UD, I am involved with many organizations including POD, Sigma Alpha Iota-international music fraternity for women, To Write Love on Her Arms-University Chapters, just to name a few.

It’s hard to believe that I am entering my fourth and final year here at UD. It truly goes by in a blink. I am so excited to be given the chance to work with all of you this fall. To all the new members, welcome to the wonderful community that is POD and the University of Dayton. I cannot wait to get to know each one of you. To all returning members, let’s make this season rewarding and fun.

If you have any questions, inspiring jokes, or even if you just need someone to talk to, don’t hesitate to contact me at: mosierj2@udayton.edu

Go Flyers!

MEET YOUR DRUM MAJORS
Abby Naveau + Ada Pariser

ABBY’S BIO
Hey, POD!
My name is Abby Naveau and I am proud to be returning for my third year as one of your Drum Majors! I am originally from a small town called Coldwater, OH, and I’m a senior music major here at UD. My freshman year in POD, I was a member of the Clarinet section, aka the best section (obviously), and the past two years as Drum Major have been a blast!
At UD, I primarily study voice, but I also play piano. Over the last three years, I have been involved in many ensembles. Among these are: University Chorale, Opera Workshop, Symphonic Wind Ensemble, and Early Music Ensemble. This fall, in addition to POD, I will be performing in UD’s version of “Once Upon a Mattress” as the Queen. I am also a sister of the international professional women’s music fraternity, Sigma Alpha Iota (join SAI!), where I currently serve as our chapter’s Corresponding Secretary. As well as all these activities, I am also a Student Office Worker in the Department of Music Office. I can’t believe that I am already beginning my 12th and final season in band, but I am SO excited to meet all of the new members, as well as see all the familiar faces of returning members! To all the new members, welcome to the POD family! Your time here will truly be unforgettable. If anyone has any questions or concerns, please do not hesitate to email me! From questions about move-in, to dorms, classes, or anything not necessarily related to POD, I am happy to help! We’ve all been there! Also, don’t forget to start practicing your instrument! Go Flyers!

ADA’S BIO
Hey, POD!
My name is Ada Pariser and I am grateful and honored to serve YOU as one of your drum majors this upcoming fall! I am from Crestwood, Kentucky (don’t look it up on a map—it’s too small to be on one). I am a sophomore pre-med major interested in working with populations that are medically underserved. I have been playing the clarinet for eight years and served as a high school drum major for three years.
This summer will mark my second year working on the IMPACT staff for the George N. Parks Drum Major Academy. I care about each of you and look forward to getting to know you as individuals. If you ever have questions about POD, UD life, anything else, or you need someone to laugh/cry/pray with, feel free to contact me.
My best advice leading into band camp would be hydrate, hydrate, hydrate! And don’t forget that SPF! I look forward to learning and growing from my encounters with each of you. See you soon!
