Hello Flyers! I hope everyone is having an enjoyable, restful summer. As for me, I’ve been working feverishly and will finally be Dr. Lehman once band camp begins (yea!). Moreover, we have all been working on these exciting shows for 2014. It’s been a while since I have had the level of excitement as I have for this year’s shows. Our “big show” this year is the Superhero show, featuring music from Iron Man, Spider Man, Superman, and Batman. We will also be performing a patriotic show celebrating the 200th anniversary of the Star-Spangled Banner. Add those two shows to bandcoming and the senior show, and you have our season!

As you can see on our schedule, we have a performance for the Bands of American regional at our own Welcome Stadium, which POD is hosting! This will be a tremendous service opportunity for our entire organization, one that I’m very much looking forward to. We will also be traveling to Indianapolis late in the football season to support the Flyers as they play Butler.

A few things to make sure you do before camp:

Practice! Pick up your instrument/equipment this summer!

Hello from the Assistant Director

Dear Current and Soon-to-be POD members,

Whether you are working, taking classes, or glued to the couch watching Chuck on Netflix, I hope you are enjoying your summer. Band camp will be here before you know it(!), so be sure to recharge your batteries.

This is going to be a great season! Not only are we performing at the Dayton BOA regional--we’re hosting it! This is an opportunity for us to work with great bands from all over the country and to share our Flyer Spirit with them. It’s an honor to work with Bands of America, and I’m sure that you will all be outstanding representatives of UD and our band. Our season is full of games, exhibition performances, and service events. You are a special group of people! Anyone can go to the Bookstore and buy a t-shirt, but only a select group of students get to wear a school uniform.

That’s enough for now. Stay well.

Go Flyers!

HELLO FROM YOUR CEO

Hey Everyone!

My name’s Courtney Wise. I am a senior Psychology major this year and I will be serving as your Chief Executive Officer for this fabulous season of POD! I cannot wait to meet my new family and get the chance to grow closer to all members — old and new. As your CEO I play a huge part as liaison between you as students and our wonderful directors. I also take care of some things behind the scenes and can even be an open ear and mind whenever you need one.

I am a part of the clarinet section and have played since 5th grade (man, that makes me feel old). I have never stopped loving marching band since I started my freshman year of high school and cannot wait to continue my journey with the rest of you!

The staff, executive board, section leaders and I have a lot planned for our success and growth within the community and together as a group. I’m ready to have some fun and work hard this season; I know it’ll be a good one.

If you need me for anything at all — questions, comments, concerns, dreams, aspirations, an open ear — never hesitate to contact me!

Toodles,
Courtney Wise

Hello, POD! My name is Abby Naveau and I’m a junior Music Education major here at UD! I am originally from a small town called Coldwater, OH. In high school, I served as section leader for my section. I have also spent a few weeks of my summer breaks working with high school bands at their band camps.

At UD, I study voice, but I also play piano and clarinet. The past few years, I have been involved in many ensembles on campus. Among these are: University Chorale, Opera Workshop, Symphonic Wind Ensemble, and Early Music Ensemble. I also currently serve as the Fundraising Chair for UD’s Ohio Collegiate Music Education Association (OCMEA) chapter. My first two years of POD were a blast, and I am very excited for another season as one of your drum majors! I know that it is going to be a successful season! I am looking forward to seeing/meeting all of you in August! If you have any questions about anything, feel free to find me on Facebook or email me at any time!

Go Flyers!

Hey there PODsters!

My name is Jarrod Wurm (yes, like the things that crawl in the ground), and I am proud to say that I will be one of your Drum Majors for this season of marching band. I am a senior from Republic, Ohio who is majoring in biology and has already applied to medical school. I look forward to becoming a physician, and I won’t be offended if you have the urge to call me a nerd! You may be wondering why a biology major is a member of POD, but that just emphasizes the point that you don’t have to be a music major to be a member of this AMAZING group of performers. I have been in band since 5th grade when I learned to play my first instrument, the euphonium. Sousaphone, bassoon, and tenor sax are the other instruments that I have learned to play along the way, and I was also privileged to be a Field Commander for my high school marching band for two years. My freshman year in POD was a blast as a member of the Brrrrrrrtone section, and I had an amazing experience as a Drum Major my sophomore year. I had to take a break from being drum major as a junior due to a class conflict with rehearsal times, so I’m especially energized to return this fall.

I would like to say “welcome back” to all of the returning members and “welcome” to all of the new members who will be joining the POD family for the first time this fall. If anyone has any questions or concerns, please feel free to contact me at the email address below. I usually check it at least once a day. If any freshmen have questions about move-in, dorms, classes, or anything else that isn’t necessarily related to POD, I would be happy to answer those as well. My advice to all members is to eat healthy during the summer and exercise so that you will be in decent shape by the time Band Camp starts. I also recommend practicing your instrument regularly to build up and maintain those chops. These things will help you tremendously when we dive in during our first week together! Enjoy your summer and see you in August!!

Jarrod Wurm

Here’s some friendly words of advice for first year students:

First year students, once on campus, will be expected to act as independent adults, please help them to be able to do so.

During band camp, students will need money for meals and snacks to stay nourished. Please provide them with money and snacks to fulfill this important need.

Beginning at 4:30 p.m. on Saturday, August 10th, the students will be in the care of the upperclassmen and leaders of the band. While parents are welcome to stay for church services on Sunday morning, we encourage you to trust our staff and upperclassmen to take care of your son or daughter.

Questions, comments or concerns before band camp can be directed to a member of the executive board or staff (contact information on page 11) Due to FERPA, concerns after that point should be directed to your student.

*Drumline will have 2 additional lunches, dinners and breakfasts to take care of.

WRIGHT STATE UNIVERSITY AND SINCLAIR COMMUNITY COLLEGE REGISTRATION INSTRUCTIONS

Welcome to the Pride of Dayton! We are excited that you have decided to participate in Dayton’s only college marching band. Please refer to the comments below to ensure your ease into the Pride of Dayton.

To enroll in the Pride of Dayton:

2. Fill out this form and bring it to UD for the marching band director to sign. The POD course number is MUS 390-03. If the marching band director is not present, please give it to Mrs. Newcomb, she will sign the form.

3. Take the form to your institution and have your academic advisor and Registration Coordinator sign it.

4. Take the form to the UD registrar’s office. They will take the form.

5. Please complete this before August 23. If you wait, you will be charged! If you need housing for band camp, please talk to members of POD who do not live in UD housing; they should take care of you. If you need a parking pass for Band Camp, please get one at the POD registration table when you arrive to camp.
I hope everyone is having a fun and productive summer! I would just like to touch base on a few things so we are all prepared for camp.

1. **Do not** be a couch potato! Camp can be strenuous on the body; don’t let it take you by surprise! We will be running and doing core strengthening exercises, prepare yourself now!

2. Things to remember for camp:
   - A beach towel to stretch and workout on.
   - A large water bottle.
   - Sunscreen! We are outside all the time.
   - Plenty of white shirts. All auxiliaries will be **required** to wear white tops and dark bottoms to all evening rehearsals.
   - A positive attitude!

3. Keep up on your skills. Do not let the first day of camp be the first time you have touched your equipment all summer!

Looking forward to a great season! Have a great summer and be safe.
