

## **Commuter Camper Policy**

### **MORNING DROP-OFF**

Morning drop-off should occur no later than 7:50am. Students must be checked in daily with the dorm counselor stationed in the main office of the music building. Morning warm ups and yoga begin at 8:00am, and *always* begin on time.

In the event that your student has not checked in by 7:45am, you or your designated person will need to wait with the participant in the main office until a staff member with the official sign in sheet can come and check you in.

As it is extremely important that we keep track of all of our campers, we appreciate your cooperation.

### **AFTERNOONS**

Lunch is mandatory for all campers and we expect our commuters to remain with the rest of the group until check out in the evening.

### **EVENING CHECKOUT**

All evening events have been planned with each and every camper in mind. Evening activities are a very valuable part of the camp experience and often a part of the planned curriculum. As they are included in tuition, we strongly encourage attendance at these events. Because of our need to move as a group, commuters are expected to stay through dinner. They will join resident campers to walk to the evening activity as a group.

*Note: there will not be check out available throughout the day unless for emergency purposes. Checkout must take place at 10pm each night at the front desk of Founders dormitory.*

### **DESIGNATED DROP OFF PERSON(S)**

Please specify any drop off/pick up permissions (these may be changed and any time with resubmission of this form). Once a participant has been dropped off, we will only release that minor to you or to someone you have designated in advance. They will need identification at the time of pick up. Participants may drive themselves to and from campus and check themselves in and out, only if we are informed of this prior to them arriving on campus.

By signing this document, I acknowledge that I have received and read the University of Dayton Woodwind Performance Institute Commuter Camper Policy and agree to abide by the policies and procedures outlined herein. I recognize that I (or my child) may be subject to disciplinary action or expulsion from the camp for violation of the Commuter Camper Policy terms and policies.

Please check all that apply:

- I will pick up and drop off my child.
- My child will transport themselves to WPI and I am authorizing them to check themselves in and out.
- I have designated \_\_\_\_\_ to drop off and/or pick up my child.
