PREMED NEWSLETTER

Science Center, Room 375 • 300 College Park • Dayton, OH 45469-2361 • 937-229-3545 • premed@udayton.edu • go.udayton.edu/premed

Congratulations to all of our seniors who will be graduating in May! We will miss you and hope you will come an visit us often. We love to call on our alumni to come back and share their experiences with current students and, of course, we always want to hear about what you are doing.

To all of our MED and DEN majors, we hope you have a great summer full of exciting adventures and new discoveries. We look forward to seeing you back at the University of Dayton in the fall.

This is our last issue of the newsletter for the 2015-16 academic year. Inside you will find information about some upcoming events and opportunities as well as more information about the UD/MVH Healthcare Symposium. On the right and below are some pictures of two recent events: the very successful MAPS networking dinner and the Pre-PA club's social and service project session with UD PA students where they made blankets for Dayton Children's Hospital.

Best of luck on your final exams and have a great summer,
Dr. Scheltens and Dr. Simon

GRADUATING SENIOR SURVEY & ALUMNI FORM >>

If you are a senior MED or DEN major graduating in May, please complete the Graduating Senior Survey before May 1. Students have been sent a link to complete the survey online. Once you complete the survey, email Dr. Scheltens to say you have done the survey, and she will enter you into a drawing to earn a \$40 UD Bookstore gift certificate. Thanks for your cooperation! Also, please complete the Premed Programs Alumni form, which will be emailed soon to all graduating seniors. Thanks!

2015 SUMMER MCAT REVIEW AT UC COM >>

University of Cincinnati College of Medicine offers this course designed for students preparing to take the MCAT. It is open to students attending ANY college or university and runs from May 9 through June 27. It includes one official AAMC electronic practice exam and MCAT 2016 preparation materials supplied by The Princeton Review. It includes 54 hours of in-class instruction by faculty, post-doctoral fellows and MD/PhD students. Additionally, all lectures are recorded and uploaded to the review course portal in case students are unable to make it to all lectures. The tuition is \$800. Register at www.med.uc.edu/MCAT

COMMUNITY PARTNER INTERNSHIP >>

Premedical Programs and the Fitz Center for Leadership are hiring a community partnership intern will work with staff and volunteers at Reach Out and Good Neighbor House to develop and implement projects which help these agencies work toward their mission while incorporating the involvement of UD student volunteers. The intern will coordinate student volunteer placements at Reach Out and Good Neighbor House and assist with the one credit mini-course that trains students to volunteer. The intern commits to necessary learning and training to become knowledgeable about Reach Out and Good Neighbor House – their mission, organization, and purposes - in order to serve as a resource to both the organizations and the students serving at the sites. Student must have previously completed UDI 270 (or is currently completing). For more information see job listing 58063 on Hire A Flyer.

PUBLIC HEALTH INTERNSHIP >>

A part-time summer research position for an undergraduate pre-medical student is available in the Office of the Health Commissioner of Dayton & Montgomery County under the supervision of the Medical Director. This position will be responsible for research activities on the Research Review Panel approved studies. Research activities include reviewing medical literature, patient chart reviews, drafting new research protocols and manuscripts for journal submission. Applicants must submit an application for employment as well as a CV and a one paragraph statement of why he or she is interested in the position as detailed on Public Health's website at: www.phdmc.org/employment.

SENIOR AWARDS >>

Congratulations to the finalists for the Premedical Programs Senior Awards: Breonna Curren, Jonathan Melendez, Sofia Gillum, Maxwell Roeske, Neal Bucher, Kristin Creel, Meredith Taylor, PJ Dugan, and Peter Krzywosz.

Dr. Joseph Scherger will present the the Joseph E. Scherger, MD, MPH Leadership in Medicine Award at the UD/MVH Healthcare Symposium on April 23. The other three senior awards will be presented at the College of Arts and Sciences Awards Ceremony on May 6.

MEDICAL SCRIBE PhysAssist >>

PhysAssist Scribes, Inc. is looking for students or graduates pursuing careers in the medical field to apply for jobs as medical scribes. Their scribes work in the emergency departments at Dayton Children's and Upper Valley Medical Center in Troy. They want applicants who are willing to commit to at least one year and are hiring for both full time and part time positions. For a list of qualifications and more information, contact the scribe Ambassador daniel.benson@iamscribe.com or go the the web page info.iamscribe.com/start.

SUMMER SHADOWING AT MVH >>

Our popular shadowing program for juniors at Miami Valley Hospital will continue in the summer. The summer schedule will be available soon. Send an email to Dr. Simon at jsimon1@udayton.edu if you will be a junior or senior in the fall and will be in the Dayton area over the summer and would like to receive information when it becomes available.

MARIAN U COM OPEN HOUSE >>

Marian University College of Osteopathic Medicine will hold an Open House on Saturday, April 23, 10 a.m. - 1:15 p.m., in the Michael A. Evans Center for Health Sciences. The open house will provide prospective students with an opportunity to meet MU-COM faculty, speak with current students, tour the Evans Center, as well as receive an overview of the curriculum and admissions process. For more information and to register, go to <http://www.marian.edu/calendar/event-details/2016/04/23/main-calendar/mu-com-open-house>

UD & MVH HEALTHCARE SYMPOSIUM

LAST CALL TO REGISTER >>

The 7th Annual University of Dayton & Miami Valley Hospital Healthcare Symposium will be in Kennedy Union on April 23, 2017.

Come and see your fellow UD students present their posters on medical and healthcare related topics. The poster sessions will be from 8 am to 9 am and also from 10 am to 10:30 am and feature posters in the following categories: Biomedical Research, Clinical Medicine, Community Health, Global Health, Social Determinants of Health, Healthy Eating and Obesity Prevention/Treatment, and Education/Training.

The morning session, "Building a Healthy Dayton One Connection at a Time," will begin with a keynote session moderated by

Dr. Joseph Scherger with speaker Dr. Rishi Manchanda. The presentation is titled "The Upstream Effect -- What Makes Us Sick?" After a break to view the posters, the opening session will be followed by break-outs: Advance Care Planning: Implementing the Dayton Model, Healthy Children: Addressing Social Needs to Improve Health Outcomes, and Guiding Patients Toward Health and Wellness Through Nutrition and Healthy Lifestyles.

A luncheon will follow the morning session at noon, providing a chance for students and professionals to sit and talk together.

The afternoon sessions designed for undergraduates include three sets of panels, each lasting about 50 minutes. Students are welcome to attend any or all panels. The Specialty panel will feature Dr. Anna Pollack, a neurosurgeon, and Dr. Ravi Gurujal, a cardiologist, as well as Dr. Tom Herchline, an infectious disease specialist. The Global Medicine panel will include Dr. Sylvia Gleason, speaking about her project in the Congo, and Dr. Michael Dohn, speaking about his work in the Dominican Republic. For students interested in careers in nursing or as physician assistants, there are two panels, one focusing on the Physician/NP or PA medical team and the second session comparing the NP and PA professions.

There will also be two panels of medical students. One will focus on the application process and one will focus on life in medical school. We will also have a panel about Pediatrics featuring three pediatricians and a pediatric resident from Dayton Children's Hospital. Dr. Ranjana Sinha is a pediatric hospitalist, Dr. Daniel Lacey is a pediatric neurologist, and Dr. MaryLynn Herchline is a pediatrician. Finally, we will have a Gap Year Panel with some UD alumni sharing their various gap year experiences.

If you are attending the Healthcare Symposium, remember that you are representing the University of Dayton at a professional event. There will be many doctors and other local healthcare professionals attending. Please dress in business casual clothing appropriate for a conference. If you need some guidelines for business professional attire, please go to the Career Services web page on Business Attire: <https://www.udayton.edu/careerservices/student/interview/attire.php>.

We hope you will join us for all or part of this event. Don't forget to register!

Congratulations to our 2016 MED and DEN graduates!
