

Sex(ism), Intimacy and Identity in a Pornographic Culture

September 30, 2014

7:00 PM

KU Ballroom

DR. GAIL DINES

The multi-billion dollar pornography industry propagates the myth that pornography is a chic, edgy form of entertainment in which everyone has fun and no one gets hurt. In this lecture and slide presentation, Dr. Gail Dines challenges the industry's myths, offering a feminist analysis that takes seriously pornography's consequences in the lives of real human beings.

NOTE: The presentation includes actual pornographic images. Not appropriate for those under eighteen.
