

Minor in Religious Studies – Catechesis (CTE)

January 9, 2009

Description:

The Minor in Religious Studies – Catechesis (CTE) offers students an excellent opportunity to prepare to teach religion (catechesis) in Catholic Schools, or parish ministry today. The Minor is grounded in the official principles of catechesis required by the United States Conference of Catholic Bishops. The Minor incorporates the basic courses required by most dioceses across the country for achieving diocesan certification in both content, methodology and praxis experiences. It is open to all students who desire to engage in a religion teaching ministry either on a full-time professional or a volunteer basis following graduation.
