

# LET'S GO TO GUANTANAMO!

## An on-the-ground perspective on the 9/11 trial

If you haven't heard what Lisa Hajjar is saying about the trial of the men accused of responsibility for the 9/11 attacks, you need to get in the global conversation.

Sponsored  
by the  
Alumni Chair  
in Humanities.

**University of Dayton  
Jesse Philips Humanities Center  
Sears Recital Hall**

**March 27 at 8 p.m.**

Hajjar is a professor of sociology at the University of California, Santa Barbara, and her research and books focus on law and legality, war and conflict, human rights and torture.

The event is free and open to the public.
