Education: Bethany College (Economics) B.A., 1970
University of Dayton, M.B.A., 1972

Occupation: Entrepreneur-In-Residence and Founding Director of the L. William Crotty Center for Entrepreneurial Leadership at the University of Dayton, Dayton, Ohio

About Robert Chelle: Chelle owned and was President of the highly successful High Voltage Maintenance Corporation (HVM) from 1973 to 1996. HVM is a technical service company specializing in predictive testing, preventive maintenance and electrical engineering of power distribution systems. Headquartered in Dayton, OH, it operates in 13 other major cities. HVM was sold to Emerson Electric Co. of St. Louis in October of 1996. Robert remained as President and CEO of HVM for a three-year transition. Starting in August of 1999, he assumed his current role at the University of Dayton.
