

JOIN US IN NASHVILLE AND LAUNCH YOUR PROFESSIONAL SPORTS CAREER AT THE 22ND ANNUAL PBEO JOB FAIR!

Professional Baseball Employment Opportunities™ (PBEO®) is the official employment service of Minor League Baseball™.

The 2015 PBEO Job Fair, presented by DeVry University, will be held Dec. 6 – 9 at the Gaylord Opryland Resort & Convention Center in Nashville, Tennessee. The Job Fair is an annual feature of the Baseball Winter Meetings™. This is a great opportunity to choose from a variety of positions, meet with representatives from professional teams and interview on-site.

Start your career by attending baseball's most popular meeting and seminar to find YOUR job in professional baseball. The Job Fair provides registrants a look at the business of professional baseball, as well as an excellent opportunity to find employment. On average, 400 – 500 jobs are posted annually at the Job Fair.

Many of these jobs are internships and entry-level positions. However, some positions are for those with prior baseball experience or a related background looking for the next challenge. Most Minor League Baseball and Major League Baseball teams will be hiring for positions beginning in January 2016. Therefore, it is preferable for attendees to have graduated college by December 2015.

For those who are not graduating until May 2016, focus on Short Season-A™ Minor League Baseball clubs. These teams begin play in June and therefore typically start their new hires later in the year. For a list of these clubs, visit the classification page on www.MiLB.com.
