Explore

What is Behavioral Health & Human Services? What careers can you have in these fields?

Behavioral Health & Human Services includes mental health, emotional well-being, mental illness, drug abuse and addiction and other addictive behavior services for children and adults.

Connect

Nonprofit agencies working with mental health, addiction and recovery treatment, and human services will be at this career fair.

Staff can answer questions and discuss current and future job openings.

Achieve

You can make a difference by directly working with someone living life with mental illness and/or addiction.

Start on a path to your dream career today.
