UNIVERSITY of

DAYTON

Career Services

FOUR YEARS TO SUCCESS

FIRST YEAR

formulating a plan

Check out our website and login to our career and job resource site, Hire A Flyer, to see the amazing resources we have to help you each step of the way

Meet with your academic advisor regularly

Explore campus organizations and join one or more

Become familiar with campus services

Contact Student Employment if you are considering an on-campus, part-time job

Get to know your professors personally

Consider possible majors by taking a variety of courses

Talk to and shadow professionals in specific industry and/or career fields of interest

Go to the Career Services website and take FOCUS (a self-paced, online career/education planning tool) and login to take assessments and explore

Meet with a Career Advisor to discuss your interests, skills and values

SOPHOMORE YEAR

laying the foundation

Select a major, minor, and/or concentration

Visit our website and research career interests using O-Net Online, What Can I Do with this Major?, and Inside Jobs

Open an account on LinkedIn.com and/or take advantage of the Alumni Mentoring program to talk (network) with professionals in industry or career fields of interest

Consider interning and/or volunteering

Check out our Career Events tab by logging in to Hire a Flyer on our website to see on-campus career workshops, career fairs, employer resume reviews, and much more!

Research Study Abroad opportunities

Develop and enhance your computer skills

Assume leadership positions on and/or off campus

Have your resume reviewed by Career Services - need help creating a draft resume?

Use the Resume Creator by logging into Hire A Flyer

Visit the library and meet with a reference librarian to research possible industry interests

JUNIOR YEAR

building the frame

Evaluate job, and possibly, graduate and professional school, and service options

Secure an internship, externship or volunteer position in your industry or career field of interest

Verify degree requirements with your academic advisor

If applicable, take graduate school exams (i.e. GRE, MCAT, GMAT, LSAT) and research prospective graduate schools

Identify at least 3 industry and/or career options in your field

Update your resume and cover letter

Attend job fairs. Locate and initiate contact with potential employers through calls, letters and informational interviews

Continue to check out our Career Events tab by logging into Hire a Flyer on our website to see on-campus career workshops, career fairs, employer resume reviews, and much more!

SENIOR YEAR

adding finishing touches

Identify your post graduate industry or career goals

Gather letters of recommendation if you plan on going to graduate school

If applicable, define and pursue your graduate school plans by completing applications and essays

Make your job search a priority early in the fall semester

Participate in Career Services recruitment programs

Sign up for a mock interview in Career Services to test your skills

Finalize your cover letter and resume and send to potential employers

Accept the employment position or graduate school that best fits your career needs and goal
