Student Contract Program Fall 2006 Summary

The Student Contract Program allows students to be employed in Internship positions with local companies. Under this program students are placed on the University's payroll as student employees while working off-site at employers locations. The University is reimbursed for the payroll expenses. The program benefits students who wish to work part time in a position related to their major while attending classes full time.

Semester of Service

In the **2006-2007** school year, **21** students participated in the Semester of Service program. Coordinated by the Raymond L. Fitz, S.M. Center for Leadership in Community and run through Cooperative Education, students work full-time at a nonprofit center or agency to complement their academic or career interests. The students then bring back these experiences to share in the classroom.
