

# Why Clean Credit History Matters

KU Room #331

Time 7:10 – 7:55 PM

## **As a result of this session, you will be able to answer these questions:**

- 3 rules for making credit work for you
  - Say “No”
  - Write it down
  - Check the math and double check others’ work too
- Waiting is worth it
- Rainy day emergencies do happen, how you should prepare.

## **Key learnings from this session:**

- Real life discussions about credit, the realities and impacts to your everyday life.
- Identity theft...everyone DOES want to be you!
- Your parents were right, just say “No”.
- Ideas to prepare for “rainy day” emergencies, they do happen...and you can’t always “charge” them.
- What something is worth vs. what it costs.
- How to get what you want, and compromise.
