A wise person once said "Do what you love. Love what you do." (*author unknown, but celebrated!*) A title alone does not make one a successful leader. Recognizing that today's world demands a different leader, Steve Farber demands "extreme" leadership: business leaders who demonstrate an unprecedented level of passion, determination, foresight, dedication, and fearlessness. He challenges leaders to demonstrate commitment and reveal the passion in others.

Steve Farber is the president of Extreme Leadership, Inc., an organization devoted to the cultivation and development of Extreme Leaders in the business community.

His latest book, *Greater Than Yourself: The Ultimate Lesson in Leadership*, was a Wall Street Journal® and USA Today® bestseller. His second book, *The Radical Edge: Stoke Your Business, Amp Your Life, and Change the World*, was hailed as "a playbook for harnessing the power of the human spirit", and his first book, *The Radical Leap: A Personal Lesson in Extreme Leadership*, is already considered a classic in the leadership field. It received Fast Company magazine's Readers' Choice Award and was recently named one of the 100 Best Business Books of All Time.

A subject-matter expert in business leadership and a frequent guest on news-talk shows around the country, Farber is a senior-level leadership coach and consultant who has worked with and spoken to a wide variety of public and private organizations in virtually every arena.

In this wildly popular program, Farber demonstrates the use of his LEAP framework – Love, Energy, Audacity and Proof – to radically improve efficiency, effectiveness in all areas of life. And it doesn't stop there... participants will also dig deeper into innovation and personal clarity, enabling leaders to take themselves, their teams and their organizations to the next level of success.

This Program will help leaders:

- Discover tools to deepen and expand your personal capabilities - the raw material for true leadership.
- Use the power of the heart to achieve the "extraordinary" at work, inspiring others.
- Instill passion in the workplace - even in troubled or difficult times.

Learn. LEAD. Serve.
