The University of Dayton China Institute (UDCI) is your global classroom just 75 miles from Shanghai in the ultramodern higher education district of Suzhou Industrial Park.

Home to a third of the world's Fortune 500 companies, Suzhou Industrial Park is a center of innovation and opportunity unlike any other.

As part of the curriculum, you'll visit schools, universities and language teaching centers in and around Suzhou and Nanjing where many of UD's partnership institutions are located.
