MAKE THE WORLD YOUR CLASSROOM.

The University of Dayton China Institute is just 75 miles from Shanghai in the ultramodern higher education district of Suzhou Industrial Park.

Home to a third of the world's Fortune 500 companies, Suzhou Industrial Park is a center of innovation and opportunity unlike any other.

As part of the learning experience, you'll have the opportunity to interact and conduct hands-on projects with UD's partner companies in Suzhou Industrial Park, including Emerson Climate Technologies, GE Aviation, Johnson & Johnson Medical and Lilly Pharmaceutical. Other partners include Crown Equipment, CSA Group, Delphi Electronics, Henny Penny, Marian, Makino and SAS Automation — to name just a few.

Guest speakers from multinational companies and professors from UD's partner universities will provide Chinese culture and society seminars on topics that range from how to do business in China to appreciating the music, art and tai chi. You'll also spend time exploring the rich cultures of Shanghai, Suzhou, Nanjing and Beijing.

Classes will be taught in six-week periods, with a midterm break Oct. 4–12, 2014. During this time, we will take you on a trip to explore more of what China has to offer.

PUT DIFFERENT TIME ZONES IN YOUR COMFORT ZONE.

We live and work in a world without borders. If you want a global experience and an edge in the workplace when you graduate, register for the semester abroad at the University of Dayton China Institute.

It's an opportunity to build your résumé and experience a life-changing semester abroad.
