WHEN OPPORTUNITY KNOCKS, THE DOOR MAY OPEN MORE THAN 7,000 MILES AWAY.

Make yourself more marketable — jet to China to study for six weeks during the first summer session (May 8 to June 20, 2015), and we’ll provide a $3,000 scholarship to help cover your international airfare, visa costs, housing and tours of a few of China’s most spectacular sights.

» TOTAL PROGRAM
   COST: $14,500 (tuition for nine or 10 credit hours, airfare, visa, housing, excursions and transportation costs).

» NET PRICE AFTER SCHOLARSHIP: $11,500.
MAKE THE WORLD YOUR CLASSROOM.

The University of Dayton China Institute (UDCI) is just 75 miles from Shanghai in the ultramodern Higher Education District of Suzhou Industrial Park (SIP), an internationally competitive 111-square-mile high-tech research and education park nestled in a modern urban development next to Jinji Lake.

Home to 25 universities from around the world and a third of the world’s Fortune 500 companies, SIP is a center of innovation and opportunity unlike any other.

As part of the learning experience, you’ll have the opportunity to interact and conduct hands-on projects with Emerson Climate Technologies, GE Aviation, Johnson & Johnson Medical, Lilly Pharmaceutical, Marian and Delphi Electronics — to name a few.

Guest speakers from multinational companies and professors from UD’s partner universities will provide Chinese culture and society seminars on topics that range from how to do business in China to appreciating the music and arts. You’ll also spend time exploring the rich cultures of Shanghai, Suzhou, Nanjing and Beijing.
EDUCATION WITHOUT BORDERS.
You may choose three courses from the 10 offered through the College of Arts and Sciences, School of Business Administration and School of Engineering.*

COLLEGE OF ARTS AND SCIENCES
CMS 316: Intercultural Communication (3 credits)
ENG 371: Technical Communication (3 credits)
HST 332: Modern China (3 credits)
MTH 218: Analytic Geometry & Calculus III (4 credits)

SCHOOL OF BUSINESS ADMINISTRATION
DSC 211: Statistics for Business II (3 credits)
ECO 203: Principles of Microeconomics (3 credits)
MKT 300 or 301: Principles of Marketing (3 credits)**

SCHOOL OF ENGINEERING
EGR 201: Engineering Mechanics (3 credits)
EGR 202: Engineering Thermodynamics (3 credits)
EGR 203: Electrical and Electronic Circuits (3 credits)

*Discuss study plans with your adviser before applying.
**MKT 300 is for nonbusiness majors.
We live and work in a world without borders, and employers are looking for global leaders. To gain a global experience — and an edge in the workplace — register for the summer program at UDCI.

To apply for the summer 2015 program, please visit UDAYTON.EDU/CHINA_INSTITUTE. Early decision deadline is December 15, 2014; regular decision deadline is February 1, 2015.

SPACE IS LIMITED — APPLY NOW!
ONE SIMPLE STEP TO CHANGE YOUR LIFE FOREVER
“WE’RE PROVIDING OUR STUDENTS WITH INTERNATIONAL OPPORTUNITIES FEW CAMPUSES CAN OFFER.”
