Attendance

You are encouraged to attend all seminars and activities for which you have registered. Good class attendance is important in securing all moderators (new and repeat). Moderators volunteer their time – no honorarium is given for their participation.

- If you are registered for seminars and circumstances prevent you from attending seminars before the session begins or after the session has started, please call special programs and continuing education at 937-229-2347 to cancel your seminar registration.
- An early cancellation helps another member attend a seminar that has been closed out.
- Do not attend a seminar for which you have not registered, because some seminars have class limits or require text readings or materials.

SOME WORDS OF CAUTION

The views and opinions expressed in the UDLLI seminars are strictly those of the moderators and their guest speakers. Although an overview of the seminar and the moderator's bio have been reviewed and approved by the Osher Lifelong Learning Institute at the University of Dayton, the entire contents of the seminars have not been reviewed and approved.

In addition, because the advice or information given by a moderator or guest speaker may not coincide with your own particular circumstances, we urge you to:

- Consult your broker or financial adviser before acting on implied or actual recommendations concerning the investment of your money.
- Consult your doctor before following any moderator's or guest speaker's suggestions pertaining to consumption of medically related products or other medical advice.
