If you receive a recorded message, please leave your name, telephone number and seminar selections.

To register online (beginning Aug. 10 at 9 a.m.) Each registrant will need to have his/her own individual email address. (Payment is required at the time of registration). While there are several methods to register, the online choice is recommended.

To access the registration site, there are two options:

1. Visit the main UDOLLI webpage at go.udayton.edu/udlli. Click the navigation link “Fall 2016 Seminars.” Click “Online Registration.” Choose the prompt to create a new account, then complete and submit seminar selections.
2. Go directly to the online registration site at: **go.udayton.edu/udolli/register**

Attendance

You are encouraged to attend all seminars and activities for which you have registered. Regular attendance is important in securing all moderators (new and repeat). Moderators volunteer their time — no honorarium is given for their participation.

- If you are registered for seminars and circumstances prevent you from attending — either before the session begins or after the session has started — please call the Office of Special Programs and Continuing Education at 937-229-2347 to cancel your seminar registration.
- An early cancellation helps another member attend a seminar that has been closed out.
- Do not attend a seminar for which you have not registered because some seminars have participant limits or require text readings or materials.
