Encore Vienna: May 30 – June 11, 2013

*Imagine yourself in charming Vienna, fascinating Prague, or beautiful Salzburg surrounded by the music, culture and art you love. Our nearly two-week Austrian and Czech sojourn is your opportunity to immerse yourself in the artistic traditions of **Vienna, Salzburg and Prague, with a special visit to Kettering's sister city, Steyr, Austria.** This musical adventure occurs during the world famous Vienna and Prague Spring festivals, when the cities are alive with concerts, opera, street performances and special exhibitions.*

This eighteenth edition of Encore Vienna allows ample time for enjoying concerts, recitals, fine restaurants, elegant pastry shops, charming old wine cellars, wonderful museums, expositions, shopping, parks and the great sites and treasures of the Habsburg Empire. Most sites of interest are within walking distance of our comfortable accommodations in the heart of these three great, unforgettable cities. On-site lectures provide insight into the lives and works of such famous residents of these cities as Haydn, Beethoven, Schubert, Strauss, Brahms, Mozart, Mahler, and Smetana. Along with guided tours of each city, the program includes tours to Melk, Eisenstadt, Sound of Music sites, and medieval Czesky Krumlov.

Program hosts: Dr. Linda J. Snyder, University of Dayton
Department of Music;
Professor Edward Hatch,
retired, University of Dayton
Department of Languages
