UNIVERSITY of
DAYTON

School of Education
and Health Sciences

ABOUT UD GRADUATE PROGRAMS

The University of Dayton is recognized as a doctoral and research-intensive university, offering more than 50 disciplinary and cross-disciplinary advanced degree programs — making it easy for you to find a program to meet your needs. We are committed to facilitating and supporting your success by providing excellent advanced education opportunities and services that connect learning, research and scholarship with leadership and service — the Catholic and Marianist values of the University of Dayton.

ACCREDITATION

Approved by the Council for Accreditation of Counseling & Related Educational Programs (CACREP).

CACREP provides recognition that your program has been evaluated and meets or exceeds national standards, ensures that you have met prerequisites for credentialing and are ready for entry into professional practice.

ADMISSION REQUIREMENTS

Apply online. It's easy and free!

- » Complete your online application at udayton.edu/apply.
- » You must have an undergraduate cumulative average of 2.75 or higher on a 4.0 scale.
- » If you have less than a 2.75 cumulative average, you must take the Graduate Record Exam (GRE) or the Miller Analogies Test (MAT). For further information, contact Gina Seiter at **937-229-3103**.
- » Submit official academic transcripts directly from all previously attended colleges or universities.
- » Include three letters of recommendation from qualified individuals.
- » Submit your personal statement.
- » Indicate on your application if you are interested in being considered for an assistantship.
- » You will be contacted to schedule a small-group interview with program faculty.

→ COURSE OF STUDY

PROGRAM DETAILS ↓

The 60-semester hour master's degree program in clinical mental health counseling is a generalist curriculum that will prepare you for a career involving the prevention and treatment of mental and emotional disorders.

You can become a Licensed Professional Counselor (LPC) and a Licensed Professional Clinical Counselor (LPCC) and work in community agencies, hospitals and clinics, as well as in private practice. You'll be able to provide counseling and psychotherapy for clients who are struggling with mental and emotional disorders, substance abuse, family and relationship difficulties, and career development needs. You can complete your degree in two and a half to three and a half years.

Visit go.udayton.edu/clinicalmentalhealthcounseling for more information.

FINANCIAL AID

To receive a formal financial aid award as a graduate student, you must be admitted to the University of Dayton. For loan and grant consideration, you are required to submit the Free Application for Federal Student Aid, available at fafsa.gov. Submit the FAFSA to the processing agency and list the University of Dayton (code #003127) to receive your aid results.

Although financial aid information is processed throughout the year for graduate students, May 1 is the priority consideration deadline. It is recommended that you submit your completed FAFSA to the processing agency by May 1 for financial aid consideration for the upcoming fall, spring and summer semesters.

For more information about financial aid opportunities, visit finaid.udayton.edu or contact the Office of Financial Aid at **800-427-5029**.

IT'S NOT JUST A CAREER MOVE. IT'S A CALLING.

Prepare for a career dedicated to compassionate service and learn how to make a difference in the lives of those in your community with a Master of Science in Education (MSE) degree from the University of Dayton. As a future clinical mental health counselor, you'll gain experience in a variety of settings, impacting the lives of individuals and supporting your community as a whole.

UD'S PROGRAM OFFERS YOU:

- » A **low student-to-faculty ratio** for meaningful, personalized learning.
- » The opportunity for **first-hand experience** during required practicum, lab and internship experiences.
- » **Chi Sigma Iota**, the international honor society for students, professional counselors and counselor educators dedicated to leadership, scholarship, research, professionalism and clinical excellence in counseling.
- » The chance to expand your horizons and learn about another culture through the study abroad experience in **South America**.
- » The opportunity to gain experience — and a paid stipend — while you study through a variety of **graduate assistantship** opportunities throughout the University.
- » A cohort program to encourage **networking and growth**.
- » **Accreditation** by the Council for Accreditation of Counseling and Related Educational Programs (CACREP) and approved by the state of Ohio Counselor, Social Worker and Marriage and Family Therapist (CSWMFT) Board to provide training toward the professional counselor and professional clinical counselor licenses.
- » A choice of classrooms. With the **convenience of two locations**, you can study on our UD campus or at our off-campus facility in Dublin, Ohio.
- » The opportunity to **build communities** through critical reflection.
