

## MEE Undergraduate Electives

The following courses may be taken to satisfy the requirement of 6 credit hours of MEE electives in the undergraduate program of study.

- Any non-required MEE course at the 300 level or above except MEE 491.
- Any AEE or RCL graduate course.
- One semester of EGR 498 Honor's Thesis. Thus, only 3 credit hours of Honor's Thesis may count toward the MEE elective requirement.
