

# Electro-Optics & Photonics

What is it?

KL Lobby

**FREE FOOD**

**Hands-on Demos**

Grad  
Assistantships  
Available

# OPEN HOUSE

**Wednesday, March 21st, 10AM – 2 PM**

3D imaging & display, self-driving cars  
& LIDAR, photography, 3D manufacturing,  
lasers, fiber optics, laser communication,  
holography, metamaterials, quantum optics,  
electro-optics, crystals, polarization, entanglement
