

Deadline: March 1, 2018

2018 University of Dayton School of Engineering *FIRST*[®] Scholarship

The mission of *FIRST* is to inspire young people to be science and technology leaders and innovators, by engaging them in exciting mentor-based programs that build science, engineering, and technology skills, that inspire innovation, and that foster well-rounded life capabilities including self-confidence, communication, and leadership. The University of Dayton School of Engineering is a proud supporter of the *FIRST*[®] program with the following:

\$2500 scholarship renewable for 4 years for those students majoring in electrical, computer, civil, discover (undecided) engineering or engineering technology.

Scholarship Eligibility

To be eligible to apply for this scholarship, you must:

- Have participated on a *FIRST*[®] Robotics Competition (FRC[®]) or a *FIRST*[®] Tech Challenge (FTC[®]) Team during high school.
- Apply and be admitted to the University of Dayton as a full-time student.
 - You do not need to have already been admitted at the time you apply for this scholarship.
 - Major in electrical, computer, civil, discover (undecided) engineering or engineering technology.

Application Process

To apply for the Scholarship, complete and send the application package including:

- A completed Scholarship Application (found on next page)
- Also the following:
 - A letter of recommendation from an adult mentor/coach on your *FIRST* team
 - High school transcripts
 - An essay describing: “How you plan to make a difference in the world through engineering.”
