

UNIVERSITY OF DAYTON School of Engineering

ENGINEERING COOPERATIVE EDUCATION ON-CAMPUS INTERVIEWS

On-campus engineering co-op interviews are conducted each October and February, and employers may interview candidates to fill either January, May or August openings. Since UD operates on a semester schedule, the 17-week work terms start in early January, early May and late August of each year.

Last year 136 companies employed 376 engineering cooperative education students.

If your organization plans to participate in these interviews, please complete the reservation form and submit it to us along with us a job description for each position listed. You can also use this form for resume referrals.

Once your reservation has been confirmed (via e-mail), you will use our on-line employer system, Hire a Flyer, to access your interview schedule and view resumes of the students on the schedule. To access your schedule in Hire a Flyer go to <http://careers.udayton.edu>

Interviews will be scheduled every half hour beginning at 8:45 a.m. with the last interview scheduled to begin at 3:45 p.m. Recruiters should arrive in the Ballroom on the second floor of the Kennedy Union one half hour before their first scheduled interviews. Lunch will be provided from 11:30 a.m. to 12:30 p.m.

We appreciate your interest in our Cooperative Education Program and look forward to seeing you at our next event. Should you have any questions, please do not hesitate to contact us at 937-229-2335.
