

Proposal Writing Workshop

Feb 14 & 15 2014 (Fri & Sat)

Andrew Sarangan

This is primarily for engineering graduate students preparing a summer research proposal (GSSF), but others are also welcome to attend. Registration is limited to 40.

As a courtesy, if you are unsure if you will be submitting a GSSF application this year, please wait until Feb 10 to sign up.

This is a 2-day workshop. Attendance on both days is required.

Feb 14 (Friday): 1:30pm – 4pm

Feb 15 (Saturday): 11am – 4pm

Room: KL 407

You will learn

- how to structure your proposal
- how to write to different audiences
- the Heilmeyer's Catechism
- ethics and conflict of interests
- how proposals are reviewed

Each participant is expected to write a short proposal as homework and have it reviewed by peers.

Please sign up at <http://proposal-workshop.doattend.com>
