Undeclared Engineering Technology

Semester 1  
16 credits

- **EGR 102**  
  First Year Exp. (0)
- **EGR 150**  
  Enrichment Workshop I (0)
- **MCT 110L**  
  Tech Drawing & CAD (2)
- **EGR 103**  
  Engineering Innovation (2)
- **SET 150**  
  Engineering Analysis (2)
- **MTH 168**  
  Calculus I (4)
- **ENG 100**  
  Writing Seminar I (3)
- **REL 103**  
  Introduction to Religion (3)

Semester 2  
18 credits

- **SET 101**  
  Intro to Engr Tech II (0)
- **EGR 151**  
  Enrichment Workshop II (0)
- **MTH 169**  
  Calculus II (4)
- **CHM 123**  
  General Chemistry (3)
- **CHM 123L**  
  General Chem Lab (1)
- **HST 103**  
  The West & The World (3)
- **PHL 103**  
  Introduction to Philosophy (3)

Electronic & Computer Engineering Technology

- **ECT 110**  
  Electrical Circuits I (3)
- **ECT 110L**  
  Electrical Circuits I Lab (1)

Global Mfg Sys or Mechanical Engineering Technology

- **MCT 112L**  
  Intro to Mech Design (3)
- **MFG 108L**  
  Mfg Processes Lab (1)

Industrial Engineering Technology

- **IET 230**  
  Work Measurement (3)

Select classes required for intended major (4 credits)

- **CAP**
  Common
- **CAP Electives**
- **ET Core**
- **Technical Elective**

Consult academic advisor for selection of approved common academic program (CAP) and technical elective courses.

See reverse for course prerequisites.
