

# UD Aero Design Team

facebook

# What do we do?

- **DESIGN:** Develop and optimize new and innovate designs for a remote controlled airplane with respect to competition rules and regulations
- **BUILD:** Work with composite materials to build various components of the airplane
- **FLY:** Compete in international design competition after completing test flights and further design optimization

Preparation for flight

Hand launch

Success!

“To most people,  
the sky is the limit.  
To those who love aviation,  
the sky is home.”
