

UNIVERSITY of  
DAYTON  
School of Engineering  
Women in Engineering  
Summer Camp

**Tuition fee - \$665** - covers double-occupancy room, all meals and camp events.

**Thank you for registering to attend the 2016 Women in Engineering Summer Camp, July 10-15.**

**\*Note:** daughters of UD employees – please contact Annette Packard directly at apackard1@udayton.edu, or by phone, 937-229-3296, before registering.

**IMPORTANT:** A reserved spot in the camp is obtained by registering for camp and paying the tuition fee. If you are applying for a scholarship to attend camp, **do not use this registration form.** The camp **does not reimburse camp tuition fees;** in other words, you cannot pay the tuition fee and then apply for a scholarship. If you are applying for scholarship, return to the camp website – download and mail the completed scholarship application form located under the **Register Now!** link. Deadline to apply for scholarship is May 1; and scholarship award decisions are typically not made until after May 1. Applying for a scholarship **does not guarantee you a reserved spot in camp.**

Cancellations made on or before June 17 are refundable, minus a \$50 processing fee. No refunds will be made after June 17.

An in-depth, final registration packet with camp schedule and details will be mailed to registrants the end of May. The packet contains options for camp modules and Day with Industry assignments. The module and Day with Industry assignments are made **according to the camper's completion and return of all parts of the final registration packet, and return of all forms for camp,** in other words, **first-final completed registration-forms returned, first-assigned.**

Please print and fill out the registration form below and mail with your \$665 tuition fee made payable to University of Dayton to:
