

**LIVE FIRE  
EXTINGUISHER  
TRAINING  
OCTOBER 26, 2016  
WEDNESDAY,  
11:30AM-1:00PM  
KU PLAZA**

Facilities Management Environmental Health & Safety/Risk Management will be partnering with Silco Fire Protection to provide **Live Fire Extinguisher Training** where participants will learn about different types of fires and how to select the proper fire extinguisher to put them out. Participants will use a fire extinguisher to put out a live fire during this engagement opportunity. This is hands-on training with real fire that will give participants the confidence to react quickly and safely extinguish a small fire!

**Practice putting  
out a LIVE fire  
with a fire  
extinguisher**

---

**Fire extinguishers  
effectively put out  
80% of all fires at  
the early stages**

---

**When fires are  
extinguished in  
the early stages, it  
prevents loss of  
life and property**

---

**Come join us for  
this fun and  
practical activity!**
