

**DRAFT**

**UNIVERSITY OF DAYTON ASSESSMENT ACTIVITY FORM**

**Department/Program:** Physics      **Chair/Director:** J. M. O'Hare

**Date:** 6/13/07

<b>OUTCOMES/MEASURES UTILIZED</b>	<b>RESULTS</b>
<p><b>Outcome 5:</b> The student will develop communication skills that will allow him/her to deliver technical reports in both written and oral form.</p> <p><b>Outcome 5 - Measures Utilized</b></p> <p><b>Measure 1:</b> Students will make written and/or oral presentations on advanced laboratory projects, undergraduate research projects, or senior projects.</p> <p><b>Measure 2:</b> 75% of the students will make written and/or oral presentations on research participation projects or senior projects.</p>	<p><b>Measure 1:</b> All graduates made both oral and written presentations of advanced laboratory projects. Thus, by this measure, the Physics Department attained a compliance of 100%.</p> <p><b>Measure 2:</b> Five of the seven graduates complied with this measure resulting in a 71% compliance rate. If the E11 student us removed from the sample, the rate changes to 83% . .</p>
