Due date for payment of Summer 2017 tuition and charges is *September 22, 2017*, to avoid a late charge

I understand that this application, proper employer verification, and payment of the \$50.00 application charge entitle me to defer payment of Summer 2017 tuition charges until September 22, 2017. I understand that payment of deferred tuition is to be made to the University of Dayton by this date even if I have not received grades and/or reimbursement. The application fee is non-refundable unless withdrawal is completed prior to the start of the semester. Late payment of tuition and charges will result in the assessment of a \$100 late charge and account balance will be subject to monthly interest charges (12% APR). If I withdraw from any or all classes, the appropriate tuition and charges for the dropped course(s) will be immediately due and payable. I agree to all terms and conditions outlined here and authorize the University of Dayton to communicate with my employer on any questions concerning my tuition reimbursement.
