

SCHOLARSHIPS AVAILABLE TO STUDENTS STUDYING A CONSTRUCTION-RELATED FIELD

The Ohio Contractors Association (OCA) is “the voice” of the heavy/highway and utility industry in Ohio. OCA members benefit from political representation, safety programs, contract interpretation, and education/training programs.

The OCA Dayton Chapter awards annual scholarships to students pursuing construction-related degrees.

Criteria: The award will be based on the applicant’s merit potential and demonstrated interest in the construction industry. The award will be made by a Scholarship Committee comprised of several members of the Executive Committee for the Dayton Chapter of OCA. The Scholarship Committee will determine the dollar amount to be awarded ; up to \$3000.00 total scholarship money will be awarded, based upon the application. **Incomplete application packets will not be considered.**

Full details, including additional criteria may be found on the application.

Deadline: Complete applications must be submitted by **Friday, February 3, 2017.**
