

PAYMENT PLAN OPTION

THE UD PAYMENT OPTION

All students are eligible to spread their balance due for the semester out over four payments per term by completing the one-time credit agreement form* available from the Office of the Bursar. No credit review is required and there is no application fee.

Payments will begin in late July and end in late March. The first two payments of each semester are interest free. The remaining two payments will incur a 1 percent interest charge on any unpaid balance (12 percent APR). Remember that any semester balance carried beyond the fourth month will continue to earn interest until paid-in-full.

*To obtain the credit agreement form, contact the Office of the Bursar at 800-259-7117.
