ORTHODONTIC SERVICES

Superior Dental Care's (SDC) orthodontia benefits are limited to members under 20 years of age. Coverage includes orthodontic procedures under a "Treatment Plan" that has been evaluated through a pre-determination of benefits by SDC. The dentist providing this service must supply SDC with films and study models upon request.

The one-time Record/Diagnosis fee shall consist of the initial exam, diagnosis and consultation, x-rays, and study models. This fee can be submitted for payment separately from the treatment plan and will apply to the member's lifetime maximum. Payments for orthodontic treatment will be made monthly beginning after the first month of treatment, and continue for the estimated duration of the treatment plan, as long as the patient is a member of SDC and in active treatment. Patients in retention are not covered.

For orthodontic treatment in progress at the time of eligibility, SDC will review the initial estimate of treatment months and total cost to determine benefit eligibility. This calculation will be based on the appropriate plan percentage, up to the plan's allowable orthodontic lifetime maximum, and for the remaining months of estimated treatment. Benefits will automatically terminate when the patient ceases to be eligible.

Schedule of Benefits The Preferred Plan #892

Preventive	100%
*Basic	80%
*Major	50%
Contract Maximum	\$1,000.00
Deductible	None
Orthodontia	50%
Lifetime Ortho Max	\$1,000.00
Copay	None

Contract Period – The defined time during which your benefits will apply. This is typically a 12 month period of time; however please check with your employer to be sure.

***Contract Maximum** – The amount of dental expenses allotted to each member per Contract Period. Each new contract period, a fresh Contract Maximum is granted per member. Applies to all Basic and Major services.

Deductible – The amount of dental expense, which you are responsible to pay before SDC begins calculations of benefits. Deductibles follow the contract period and have individual and family maximums.

Lifetime Ortho Maximum – The amount of orthodontia benefit, per member per lifetime, while enrolled with SDC. Any orthodontia payments made by SDC accumulate over time, are applied toward the Lifetime Maximum, and do not refresh. The orthodontia Lifetime Maximum is separate from the Contract Maximum.

Copay - This amount is applied to oral evaluations in the Preventive Category only and is to be paid per Covered Person per occurrence, at the time of the visit.

Service Area and Participating Dentists

SDC is currently licensed in Ohio, Kentucky and Indiana which represent SDC's service area. **SDC Preferred Plan members are encouraged to seek service from a Participating Dentist or Specialist in our Preferred Plan network.** You may access our directory of participating dentists on our website www.superiordental.com. All of our dentists undergo a stringent credentialing process and are recredentialed every 3 years. This means that our members are assured the highest quality of care and the greatest protection when staying within our network. Participating dentists are prohibited from collecting any amount over the Coinsurance and SDC's reimbursement. **Enrolled members seeking care from a non-participating dentist will be responsible for the payment to that dentist and may be required to pay any amount over the Coinsurance and SDC's reimbursement, otherwise known as the 'Balance Bill'.**

Pre-determination of Benefits

Pre-determination of Benefits is necessary if services are for \$400.00 or more or for periodontal services. Alternate benefits may be received when there is more than one acceptable course of treatment. In this situation, SDC will provide benefits based on the least expensive, professionally accepted treatment. If you and your dentist choose a more expensive treatment, the additional cost will be your responsibility. All services are subject to the policies and procedures of SDC.

Coordination of Benefits

SDC coordinates benefits with other carriers and with other SDC plans. SDC follows the rules established by state law for Coordination of Benefits to decide which plan pays first. SDC's payment is based on the type of plan and the amount the other plan has benefited. The objective is to make sure the combined payments of all plans are no more than your actual bills. The birthday rule applies for covered dependents – whichever parent's birthday comes first in the calendar year is considered the primary carrier. If a divorce has occurred, the plan follows the divorce decree.

Coinsurance

Coinsurance is the out-of-pocket expenses that are directly payable by an Enrolled Member to the dentist. The Coinsurance is based on a percentage of the Allowable Amount assigned to eligible services. The Coinsurance is calculated after the Deductible and/or Copay has been assessed, if applicable.

Evidence of Coverage

Your Evidence of Coverage is on file with your employer or you may call our office to request a copy. Additional access is provided on our website at: www.superiordental.com under the Members tab and in the Member Support page as well as in Superior Direct Connect, your online resource and account management tool. Important information addressed in the Evidence of Coverage includes: claims appeal procedures, exclusions, coordination of benefit rules, contact information for SDC's Member Services Team, for State Departments of Insurance, for State Dental Associations and more. Access to SDC's Notice of Privacy Practices is also provided at the **Member Support Center**.

Claim Submission

All claims must be submitted and resolved within one year from the date of service to be considered for payment, regardless of enrollment status.

General SDC Information

Warning: If you or your family members are covered by more than one healthcare plan, you may not be able to collect benefits from both plans. Each plan may require you to follow its rules or use specific doctors and hospitals, and it may be impossible to comply with both plans at the same time. Before you enroll in this plan, read all of the rules very carefully and compare them with the rules of any other plan that covers you or your family.
