The above listed health care plan offered by the University of Dayton has been explained to me. After serious consideration, I have decided not to take advantage of this coverage.

I understand that **I will not** be eligible to enroll in health care coverage until the next annual open enrollment period which normally takes place during the month of October with coverage effective January 1st. Enrollment **will be permitted** upon loss of other health insurance coverage if the Office of Human Resources is contacted within thirty (30) days of the occurrence. A letter from the insurance company or employer stating the coverage termination date is required.
