

# Office and Google Apps – What's the Difference?

Presented By: Michael McClure, IT Training Manager, Udit

- About this NEW Program:

You have Microsoft Office and you have Google Applications. So why would you use one over the other? During this session Michael McClure, IT Training Manager, will help you explore the differences between **Word**, **Excel**, **PowerPoint** and their Google App counterparts.

**This program is open to all UD employees.**

**Date: Thursday, April 9, 2015**

**Location: LTC, Room 44, Forum**

**Time: 2:00 – 3:00 p.m.**
