

CREATING TRAINING VIDEOS WITH CAMTASIA AND SNAGIT

Presented by:
Mike McClure,
IT Training Department Manager, UDayton

Interested in creating training videos for your students, a class project, or your office colleagues? During this one-hour session you will see how this can be accomplished through two TechSmith applications:
Camtasia Studio and Snagit.

Tuesday, February 2, 2016
10-11 a.m.
LTC Room 44
